October 8, 2017, Hung worked with Noah in the same group

I worked in the same team with Hung at Silicon Prime Labs. In brief, he has a real enthusiasm for the IT industry. As frequently observed, he did research into ways of enhancing our products in his spare time. I was impressed by his profound knowledge about Database Optimization and Application Security solutions... [See more](#)

**Mike Lopus**

Director of Engineering at Cutover

October 6, 2017, Mike worked with Hung but at different companies

Hung is a top notch .NET developer and a pleasure to work with. Not only that but his technical competency

extends into many areas and he can be depended upon to just get the job done right the first time. He would be an asset to any team.
