About

I am passionate about volunteerism as it makes long impact on the lives we help. I am seeking for oversea partner organisations who can partner with Volunteer Vietnam.

Volunteer Teacher of English

Khai Tri Highschool

Education

This volunteer experience has made me set up my international volunteer program which has been benefiting many people in Vietnam. I was assigned to teach many young students how to speak English and I felt tired doing that. I started seeking for international volunteers to come and help with me. That has been the foundation for our volunteer program today. Thanks for the experience !
