

# DANG TIEN DAT

— ANDROID DEVELOPER

## PROFILE

I am an open-minded person. I am always willing to learn new knowledge, especially relating to Android. Apart from my passion for Android, English is also a strength of mine. In fact, I often expand my technological knowledge by reading and watching articles and videos in English from reliable online sources.

## CONTACT

### Address:

District 2, Ho Chi Minh City

### E-mail Address:

dangtiendat288@gmail.com

### Mobile phone number:

(+84) 868683346
