Akhila Prabhakar

Technical Product Manager / Feature owner (Electric vehicles) at Elektrobit (EB) - Automotive

January 22, 2013, Guru was senior to Akhila but didn't manage directly

Akhila has spent close to 4 year working in the same department I was heading. She is an excellent team member who is technically very strong. She has very fast learning curve and could handle very critical components independently. She has good embedded SW development experience in Car MultiMedia domai...
