EDUCATION

FPT Software academy   20 July 2020 - 25 Oct 2020
Front-end developer course
Rate: B

SUMMARY

- I graduated from Binh Thuan College, majoring in Resort Administration.   Aug 2015 - Aug 2018
- In 2019, I started learning to code and fell in love with it. So I decided to pursue the Information Technology industry.
- I hope to find an environment that I can improve my experience skills as well as I can contribute my ability to the development of the company.
- My goal is to become a good developer then I can support many projects and other team members.

SKILLS

- Programming language: Java
- Front-end: HTML5, CSS, JavaScript, jQuery, AJAX
