MY EXPERIENCE

Flight Booking Website
HTML, CSS, JAVASCRIPT, PHP   December in 2019

I made this Flight Booking Website. I created the UI and functions for adding, deleting, editing, showing flights and booking air tickets.

Software Business Analyst For Karaoke Company
SURVEY SKILL , USE-CASE DIAGRAM, ACTIVITY DIAGRAM, SEQUENCE DIAGRAM, CLASS DIAGRAM, ERD MODEL, RELATIONAL SCHEMA DIAGRAM

December in 2019

In this subject, we have the opportunity to work together. Our team surveyed well in order for the analyst and design stages.

Cafe Management Software
C#, SQL SERVER   January in 2019

In this subject, I worked with my friend. We divided into roles such as: design UI, functional.

Use The Cassandra Database In a Basic Way
CASSANDRA   December in 2020

In this topic,we learnt Cassandra to use and apply into our project.
