product innovation and go to market
November 12, 2016, Rana managed Thai directly

Thai is one of the best enterprise / solution architects that I have had the pleasure of working with. After
initially being a mentor to Thai, I had the opportunity of working alongside Thai. Thai has the incredible
potential to keep an eye on the big picture strategy, whilst taking a very practical and pragmatic approach ...

I worked with Mr Thai across several projects as part of VIB's digital strategy over a period of 12 months. I was
extremely impressed by his level of professionalism which encompassed his vast experience resulting in well
thought out decision making on a number of complex IT and delivery issues. It was also a... **See more**
